Respected Sir,

I beg to submit that you
were kind enough to promise ^{to} release
the Forest Survey numbers (S.No. 281, 278 &
another of Challakere) adjacent to the
Town limits for extension of the Town
on your kind visit to Challakere
on 11-6-1959. As lay out and other
proceeding for formations of Sites are held
up, kind orders to release the said Survey
numbers and to hand over to the Muni-

CHALLAKERE

Date 27th July 59.

Dear Sir,

You may perhaps remember, that S.No's 277, 278 and 281 of Challakere Town which are in possession of Forest Department are a rocky barren piece of land with no forest plants existing on them. During your visit to Challakere on 11-4-59, you were pleased to inspect these S.No's along with myself and the local Officers of the Forest Department in connection with the urge of the Municipal Council for release of these S.No's for town extension purposes. A copy of the representation then given to you at Challakere is herein enclosed for kind perusal.

Of all these S.No's mentioned above, S.No's 281 is very urgently required for construction of dwelling houses by the Municipality under the Low Income Group Housing Scheme. This S.No. measures ^{A G} 41.28, out of which 4 acres and 20 guntas are already released and alienated in favour of Public Works Department for construction of new Pravasimandira at Challakere. Pravasimandir construction is under progress on the said plot which you have personally seen during your spot inspection.

The Municipality now proposes to construct residential quarters on the forest land lying to east of this Pravasimandir and require about 7 acres and 7 guntas of land in this S.No. 281.

This matter was represented to you by me in person at Bangalore

To

The Honourable Minister,
For Agriculture,
Government of Mysore,
BANGALORE.

Respected Sir,

I am highly pleased to extend a hearty welcome to you, Sir, on behalf of the Municipal Council and the citizens of Challakere. I take this opportunity to place before you our long felt necessity and grievance about the existing Veterinary dispensary was constructed long long ago when Challakere town was perhaps ~~no~~ better than a small village. With the passage of time the town has grown into great prominence, its boundaries extended alround and with ti, its population and cattle wealth also has greatly increased. Similar growth in cattle wealth of the surrounding villages of Challakere Taluk is undisputed fact. But the age long building, which was constructed and donated by the Municipal Council, to serve the cattle wealth exhistng, say about 50 to 60 years ago, stand as it was, without any addition or expansion of fecilities and the required accomodation for locating Veterinary Dispensary is urgent necessity to the Town. Accordingly representations have been made to the benign Government several times before to shift the present building of Veterinary dispensary and to construct a decent building of approved design in S.No. 283 so as to serve the present day cattle wealth of the whole taluk and also to enhance the beauty of this town. The Council has given its opinion also to meet half the construction expenditure and to given a site free of cost, provided the Government agrees to bear the other half of the expenditure of the building and to hand over the existing building to the Municipality. So far the opinion of the Government is not made known. As this necessity is quite essential in the interest of better and improved medical aid to the cattle wealth, I once again beg to urge this important problem before you with the earnest hope of immediate sympathetic consideration and early compliance.

The town boundaries have been extended recently on account of expansion of residential localities alround. The urge for allotting building sites is till increasingly felt. The tonw has

has almost reached the boundaries of S.No's 277, 278 and 281 which are considered as Forest area and on account of their situation in higher level and nearer Chitradurga road, these 5 Nos are best suited for town extension and they are not useful to the Forest Department also. The Department was already moved by the Municipal Council, Challakere to hand over these S.No's of the Forest Department to the possession of the Municipality. I therefore request you kindly to investigate the matter and order for the early release of this Forest area in favour of the Town Municipality, Challakere.

Jai Hind.
